

Prairie Woods Audubon Society Membership Form

Chapter Membership Benefits: Eight chapter newsletters yearly including information on field trips, membership meetings and special events. You have access to 8 member meetings yearly featuring speakers on nature-related topics (& snacks!) as well as field trips to some of the beautiful natural areas of the Chicago area.

If you desire a more environmentally friendly option, please check, "Please send me an EMAIL ELECTRONIC NEWSLETTER" instead of a paper newsletter. An E-Newsletter will be packed with pictures in vivid color and the most up to date information!

Help save trees and natural resources! The future generation thanks you!

Your membership fee helps us maintain Palatine Prairie, a 6½ acre original (not restored) prairie, provides funds for grants to local teachers/schools/nature centers, and provides educational programs/events for the community.
